

Anger: when it’s good, when it’s bad

Wrath: anger with a vengeance

Why is wrath bad, but God’s wrath is good?

Anger: what is it?

Fierce desire to protect that which we love or hold important, which is being threatened.

Think about when you got angry last: what was threatened, that led to that anger?

My feelings

My sense of self-importance

Wrath: anger with a vengeance!!

New International Version. **Eph 4.26,27.**

“In your anger do not sin": Do not let the sun go down while you are still angry, and do not give the devil a foothold.

Roman Catholic theology, one of the seven deadly sins.

Wrath is defined as a **strong feeling of hatred or resentment with a desire for vengeance**.

“The LORD, the LORD, the compassionate and gracious God, slow to anger, abounding in love and faithfulness, 7 maintaining love to thousands, and forgiving wickedness, rebellion and sin. Yet he does not leave the guilty unpunished; he punishes the children and their children for the sin of the parents to the third and fourth generation.”

Exodus 34. 6,7

God’s wrath at all that’s destructive..

… is willingly taken, or drank ‘cup of wrath’ by Jesus…

Is anger, even wrath, damaging you?

Will you let Jesus take it for you?
